Product name: 576 core fiber optic outdoor cabinet Material: SMC Size:1460mm*750mm*540mm Capacity of fiber: 576 cores Range of Application: Corridor,Outdoor Color: Gray Feature: Waterproof Dustproof Protection grade: IP55,IP65 Certification: ISO9001 Application: FTTH FTTB. Product name: 576 core fiber optic outdoor cabinet Material: SMC Size:1460mm*750mm*540mm Capacity of fiber: 576 cores Range of Application: Corridor,Outdoor Color: Gray Feature: Waterproof Dustproof Protection grade: IP55,IP65 Certification: ISO9001 Application: FTTH FTTB. Fibre optic cross connection cabinet is an external optical equipment that is especially designed for external optical nodes in access net work. High intensity and anti-erosion performance Able to counter abrupt climate change and extreme environment Capacity can be flexibly customized as required. The ODC series SMC Optical Fiber Cross Connection Cabinet is used for optical cable connection, distribution and management in outdoor fiber networks. The cabinet adopts an SMC enclosure structure and is suitable for telecom and mobile operator applications. We have an experience of more than 12 year in this field. We have 1 Clearfield FieldSmart FSC PON Cabinets 576 Port manual available for free PDF download: Installation Manual Clearfield FieldSmart FSC PON Cabinets 576 Port Pdf User Manuals.
