

Article Overview

Key Albanian manufacturers and suppliers of electrical distribution box components include Max. ITE, IMPACT, Elteknik sh.p.k., Albalelettrica, and ELBNDERTUESI.

Notable Manufacturers and Suppliers

Max. ITE is a certified panel builder specializing in electrical equipment, offering design and installation services for power distribution systems. They collaborate with leading manufacturers to provide high-quality solutions for industrial and commercial applications, including advanced control panels like the Unipos FS5200E Fire Extinguishing Control Panel . IMPACT operates in Albania and Kosovo, providing turnkey electrical, lighting, hydraulic, air conditioning, and electronic systems. They work with over 40 international manufacturers, ensuring access to the latest technology, and their technical staff maintains high standards in panel design and installation . Elteknik sh.p.k. focuses on industrial automation and electrical engineering, offering control systems, power distribution products, and custom electrical panel design services. Their expertise in electrical installations makes them a strong candidate for sourcing distribution box components . Albalelettrica is a major distributor of electrical materials in Albania, offering a broad range of high-performance components. They maintain partnerships with top production companies, providing competitive pricing and professional consulting for electrical projects . ELBNDERTUESI provides electrical engineering services for high-voltage power systems, utilities, and switchgear manufacturers, supporting distribution network operators and heavy industrial users .

Summary

These companies collectively cover the design, manufacturing, and distribution of electrical distribution box components in Albania. They serve industrial, commercial, and residential sectors, offering both standard and customized solutions. For sourcing, Max. ITE, IMPACT, and Elteknik sh.p.k. are particularly relevant for control panel components, while Albalelettrica and ELBNDERTUESI provide broader material supply and engineering support.
