

Article Overview

Hot-dip galvanized cable trays in Botou typically range from \$20 to \$50 per meter depending on type, size, and supplier.

Price Overview

Hot-dip galvanized cable trays are available in various types including ladder, perforated, solid trough, and wire mesh. Prices generally depend on the width, thickness, and length of the tray:

- o Standard ladder-type trays (2.4 meters long) are commonly priced around \$20-\$35 per meter for typical widths and thicknesses .
- o Heavier-duty or wider trays (e.g., 300-600 mm width) can cost \$35-\$50 per meter due to increased material and galvanization requirements .
- o Cable tray fittings such as bends, tees, and reducers are priced per piece, often ranging from \$5 to \$20 each depending on size and complexity .

Suppliers in Botou and Nearby Regions

- o Botou Huayang Roll Forming Machine Co., Ltd. specializes in manufacturing galvanized cable trays and related machinery, offering custom sizes and full production lines .
- o Jiangsu Holdee Electric Co., Ltd. provides hot-dip galvanized ladder, perforated, and wire mesh trays with OEM options and export experience .
- o Alibaba and Made-in-China platforms list multiple suppliers offering factory-direct hot-dip galvanized trays suitable for outdoor and industrial use .

Factors Affecting Price

- o Material thickness: Thicker steel (0.6-2.0 mm) increases cost.
- o Tray width: Wider trays require more material.
- o Surface treatment: Hot-dip galvanization is more expensive than electro-galvanizing but offers superior corrosion resistance.
- o Order quantity: Bulk orders often receive discounts.
- o Customization: Special sizes or perforation patterns may increase price.

Recommendation

For accurate pricing in Botou, it is best to contact local suppliers directly with your specifications (length, width, type, and quantity). This ensures you receive up-to-date quotations and can compare delivery options, lead times, and after-sales support. By considering these factors, you can select the most cost-effective hot-dip
