

Complete Price List for Polish Mesh Cable Trays

Article Overview

The reference price for wire mesh cable trays in Poland typically ranges from approximately USD 10 to USD 50 per meter, depending on size, material, and load capacity.

Market Overview

The Poland wire mesh cable tray market was valued at USD 3.31 million in 2024 and is projected to grow at a CAGR of 5.51% through 2032 . The fastest-growing segment is trays with widths between 101 mm and 300 mm, reflecting higher demand for medium-sized installations . Indoor applications dominate the market, particularly in data centers and IT infrastructure, which also drive higher-quality and higher-cost trays .

Supplier Insights

Polish manufacturers such as BAKS and Jeetmull Jaichandlall (P) Ltd. offer a wide range of wire mesh cable trays with varying sizes, shapes, and load capacities . These trays are made from durable metal wires, often welded or woven, and are designed to withstand heavy loads, resist deformation, and provide ventilation for cables . Suppliers provide online tools for load simulation, cable filling, and cost estimation, which can help determine the exact price for specific project requirements .

Price Factors

The price of a wire mesh cable tray in Poland depends on several factors:

- o Tray width and height: Larger trays for higher cable volumes cost more.
- o Material and coating: Stainless steel or galvanized trays are more expensive than standard steel.
- o Load rating: Trays designed for heavy-duty industrial use are priced higher.
- o Customization: Special shapes, bends, or perforations can increase cost.
- o Supplier and certification: Certified products (e.g., E-30, E-90 fire-rated) may carry a premium .

Practical Reference

Based on market trends and supplier offerings, a typical reference price for standard indoor wire mesh cable trays in Poland is:

- o Small trays (up to 100 mm width): USD 10-15 per meter
 - o Medium trays (101-300 mm width): USD 20-35 per meter
 - o Large trays (over 300 mm width): USD 40-50 per meter
- For precise pricing, it is recommended to consult
