

Article Overview

Galvanized cable trays are priced based on type, size, and fittings, with standard ladder-type trays typically sold per 2.4-meter length and coupler plates priced per piece.

Standard Cable Tray Pricing

- o Hot-dip galvanized ladder-type trays are commonly priced per standard length of 2.4 meters. Prices vary depending on width and height, with larger trays costing more due to increased material usage .
- o Coupler plates and hardware for connecting trays are priced separately. For example, 25/50 mm height trays use coupler plates around INR16 per piece, while 75/100 mm height trays are around INR30 per piece .
- o Cable duct couplers follow similar pricing, with 25/50 mm ducts at INR16 per piece and 75/100 mm ducts at INR30 per piece .

Factors Affecting Price

- o Material and coating: Hot-dip galvanizing provides higher corrosion resistance and durability, often commanding a premium over pre-galvanized trays .
- o Length and width: Larger trays require more steel and zinc, increasing cost.
- o Customization: OEM or custom-designed trays for complex installations may have higher prices .
- o Bulk orders: Suppliers often offer discounts for minimum order quantities, typically starting at 50 meters .
- o Regional variations: Prices may differ by location due to shipping, local taxes, and supplier availability .

Supplier Options

- o IndiaMart lists multiple manufacturers and exporters of galvanized cable trays across India, providing contact details for direct inquiries .
- o M.G. Cable Industries offers detailed price lists for couplers and trays, with delivery from Navi Mumbai and GST applicable .
- o Alibaba provides global supplier options with bulk pricing and customization possibilities .

Market Trends

- o The global galvanized cable tray market is growing steadily, driven by infrastructure and industrial projects, particularly in Asia-Pacific. Prices may fluctuate due to raw steel and zinc market volatility .
 - o Buyers increasingly prefer eco-friendly production and recyclable materials, which can influence pricing .
- For accurate and up-to-date pricing, it is recommended to contact suppliers directly, request quotes for your specific tray dimensions, and consider bulk order discounts.
