

Cost of Hot-Dip Galvanized Large-Span Cable Trays

Article Overview

The price of large span hot-dip galvanized cable trays ranges from approximately \$2.5 to \$17.6 per unit, depending on size, type, and supplier.

Pricing Overview

Large span hot-dip galvanized cable trays are designed for heavy-duty cable management in industrial, commercial, and outdoor environments. Prices vary based on tray type (ladder, perforated, solid bottom), dimensions, and zinc coating thickness. On platforms like Alibaba, standard hot-dip galvanized steel cable trays are listed from \$2.5 to \$17.6 per unit, suitable for wholesale orders starting at 10 units .

Supplier and Customization Options

Manufacturers such as TONGZHOU Machinery and Shandong Xuanlin Metal Materials Co., Ltd. offer customizable large-span trays with lengths up to 3000mm and various finishes including HDG, pre-galvanized, and powder-coated options . OEM/ODM services are available, and delivery typically occurs within 15-30 days after advance payment .

Market Trends

The global market for hot-dip galvanized cable trays is growing steadily, driven by infrastructure projects, renewable energy installations, and industrial modernization. Asia-Pacific, particularly China, remains the largest producer, with emerging hubs in Vietnam and India offering competitive pricing .

Practical Considerations

- o **Durability:** Hot-dip galvanization ensures long-term corrosion resistance, suitable for outdoor and coastal installations .
- o **Sustainability:** Materials are recyclable, and waste trays can be reused, aligning with eco-friendly practices .
- o **Installation:** Modular designs reduce labor costs and improve on-site efficiency . For precise pricing, it is recommended to request quotes from multiple suppliers, considering tray dimensions, load requirements, and shipping costs to your location.
