

Article Overview

ERVOJIC D.O.O., Metalis, Jeetmull Jaichandlall, and Mickens Multiservice are leading Croatian manufacturers offering custom cable trays and related solutions.

ERVOJIC D.O.O.

ERVOJIC D.O.O. specializes in perforated, ladder, and channel cable trays suitable for industrial facilities, hospitals, airports, tunnels, and bridges . They offer custom widths up to 600 mm and lengths up to 3000 mm, with materials including quality zinc-coated steel, which can be further protected by hot galvanizing or plastification. Their protective coatings make these trays suitable for chemical and food industries, ensuring durability and corrosion resistance .

Metalis

Metalis is a well-established metal processing company with over 60 years of experience . They provide custom metal assemblies, including cable trays, with steel up to 20 mm thick, stainless steel up to 12 mm, and aluminum up to 8 mm. Their production supports 2D and 3D CAD designs, CNC and conventional bending, and MIG/MAG welding, allowing for complex custom solutions . Metalis exports 70% of its production to countries like Switzerland, Germany, Austria, Slovenia, and Bosnia and Herzegovina, demonstrating international quality standards .

Jeetmull Jaichandlall

Jeetmull Jaichandlall is recognized as a top cable tray manufacturer in Croatia, offering custom sizes, shapes, and colors . They operate a modern manufacturing facility with advanced technology, ensuring high-quality finishing and adherence to industry standards. Their products are designed to withstand heavy loads and resist wear, making them suitable for diverse industrial applications .

Mickens Multiservice

Mickens Multiservice combines Croatian expertise with German quality standards as part of the Mickens Elektro GmbH group . They provide custom cable tray installation, metalworking, and electrical services, including wide-span trays, vertical risers, and parapet ducts. Their team handles fiber optic and low/medium-voltage cables, welding, and fabrication of small assemblies, offering tailored solutions for commercial and industrial clients .

Summary

For custom cable tray solutions in Croatia, these manufacturers provide:

- o Custom dimensions and materials (steel, stainless steel, aluminum)
- o Protective coatings (zincing, plastification)
- o Advanced manufacturing capabilities (CNC bending, welding, CAD support)
- o International quality standards and experience
- o Specialized solutions for industrial, commercial, and infrastructure projects
