

Article Overview

ARKYS and FEMI-CZ are among the top Czech suppliers for high-quality cable tray elbows, offering extensive product ranges and long-standing market experience.

ARKYS

ARKYS has been operating in the Czech market for 25 years and is recognized as the largest manufacturer and supplier of wire mesh cable trays in the country . They specialize in wire mesh systems, which include elbows and other fittings, and are known for their reliability, extensive product range, and strong local presence. Their long-standing experience makes them a preferred choice for industrial and commercial projects requiring durable and standardized cable management solutions.

FEMI-CZ

FEMI-CZ focuses on customized metallic cable tray solutions for both industrial and civil installations . They offer solid bottom, perforated, ladder, and mesh trays, along with a wide variety of elbows and accessories. FEMI-CZ is particularly strong in large-scale projects, including transport, energy, and oil & gas sectors, and provides custom solutions for complex layouts. Their products are known for high load capacity, ease of installation, and flexibility.

Other Notable Suppliers

- o Jeetmull Jaichandlall (P) Ltd. provides high-quality cable trays in various sizes and shapes, emphasizing customization and adherence to industry standards .
- o MIL-KABEL-SYSTEMS GmbH and PFLITSCH GMBH & CO. KG offer specialized cable management systems, including elbows, for industrial and military applications .

Recommendation

For general industrial and commercial use, ARKYS is highly recommended due to its market leadership, extensive product range, and local support. For custom or large-scale projects requiring metallic trays and specialized fittings, FEMI-CZ is ideal because of its flexibility, high-quality materials, and tailored solutions. Choosing between these suppliers depends on your project scale, material preference (wire mesh vs. metal), and need for customization. Both companies have strong reputations and proven track records in the Czech Republic.
