

Article Overview

Major cable tray manufacturers and suppliers in Cote d'Ivoire include Ned-Tech, Nexans, and SICABLE, with operations primarily in Abidjan and other key cities.

Key Manufacturers and Locations

1. Ned-Tech Ned-Tech is a leading cable tray supplier in Cote d'Ivoire, offering a wide range of products including cable trays, cable ladders, trunking systems, and wire mesh trays. Their products are manufactured from galvanized steel, stainless steel, and aluminum, designed to withstand both humid coastal climates and dry inland conditions. Ned-Tech serves major cities such as Abidjan, Bouake, Yamoussoukro, and San Pedro, providing fast delivery and technical support for construction, energy, telecommunications, and industrial projects . 2. Nexans Cote d'Ivoire Nexans operates in Cote d'Ivoire with a focus on high-quality electrical products, including cable trays and related infrastructure components. Their facilities and services cover cities like Bonoua, Abengourou, Yamoussoukro, San Pedro, and Abidjan, offering CODINORM-certified products that meet international safety standards . 3. SICABLE (Prysmian Group) SICABLE, a subsidiary of the Prysmian Group, specializes in electrical cable manufacturing and distribution, including low-voltage and medium-voltage applications. While primarily focused on cables, SICABLE also provides cable management solutions and serves industrial, building, and infrastructure projects across Cote d'Ivoire. Their operations are centered in Abidjan, acting as the commercial platform for Prysmian Group products in West Africa .

Summary of Coverage

- o Abidjan: Main hub for all three companies, with extensive logistics and technical support.
- o Bouake, Yamoussoukro, San Pedro: Served by Ned-Tech and Nexans for construction, energy, and telecom projects.
- o Industrial and Government Projects: All three suppliers provide solutions for factories, substations, hospitals, schools, and public infrastructure. These manufacturers ensure compliance with IEC and NEMA standards, offering durable, corrosion-resistant cable trays suitable for Cote d'Ivoire's diverse environmental conditions. Contractors and engineers can source both standard and customized cable management systems from these companies.
