

Article Overview

Serbia offers a growing market for distribution boxes, with multiple local manufacturers and exporters capable of supplying high-quality packaging solutions for international buyers.

Overview of the Serbian Market

Serbia has become an attractive hub for packaging and distribution box suppliers due to competitive pricing, modern production technology, and strong export capabilities. The market includes manufacturers of cardboard, paperboard, plastic, glass, and metal packaging, with a particular focus on paper and plastic boxes used in industrial, retail, and consumer goods sectors . The country's strategic location in Southeast Europe allows for short transit times to Central and Western Europe, making it convenient for regional distribution .

Leading Suppliers and Manufacturers

Several companies in Serbia specialize in the production and export of distribution boxes:

- o MAK TRADE GROUP: Produces and distributes electrical accessories, automation items, and related distribution boxes .
- o CIP d.o.o.: Based in Valjevo, Serbia, offers universal changeover switch boxes and related electrical distribution products .
- o Drenik ND, Keprom, PPT Interplast, Al Pack Group: These companies provide a wide range of packaging and container solutions, including cardboard and plastic boxes, with services such as design, printing, and labeling . Many of these suppliers offer integrated services, including in-house design, prepress, printing, converting, and logistics coordination, which helps international buyers consolidate purchases and streamline import processes .

Export Capabilities

Serbian packaging companies have proven export performance, meeting demanding technical and quality standards. They can deliver to neighboring countries such as Hungary, Croatia, Romania, Bosnia and Herzegovina, and Bulgaria, as well as broader EU markets . The combination of competitive labor and energy costs and ongoing investment in automation ensures attractive per-unit pricing for international buyers .

Finding Export Partners

For businesses seeking distribution boxes from Serbia, platforms like Serbia Export provide a digital catalogue of Serbian exporters, showcasing products, capacities, and services of companies ready for international cooperation . B2B directories such as Europages also allow direct contact with suppliers and distributors of

distribution boxes in Serbia .
