The Enterprise Network Switch Market Report is Segmented by Switch Type (Fixed Configuration Switches, and Modular Switches), Port Speed (1 GbE and Below, 2. 5/5 GbE Multi-Gig, and More), End-User Enterprise Size (Large Enterprises, and SMEs), End-User Industry (IT and Telecom, BFSI, Healthcare and. The Global Enterprise Switches Market size stood at USD 17. 61 Billion in 2025 and is expected to reach USD 21. This rise represents a CAGR of 23. It grows at a compound annual growth rate (CAGR) of around 5.

The ongoing digital transformation across industries is driving innovation in the enterprise switches market.

Ethernet Switch Market Report 2026 Global Outlook - By Product (Modular Ethernet Switches, Fixed Configuration Ethernet

Ethernet Switch Market Size The global ethernet switch market was valued at USD 51.9 billion in 2025. The market is expected to

Global Router And Switch Market Report Segmentation This report forecasts revenue growth at the global, regional, and country

Ethernet Switch Market Size, Share & Industry Analysis, By Port Speed (1 Gbps, 2.5 Gbps and 5 Gbps, 10 Gbps, 25

Segment Analysis Fixed models kept an 82.64% enterprise network switch market share in 2025, but modular units are forecast to

Edge and enterprise data centers lean into fanless, temperature-hardened switches tailored for industrial and retail

The Enterprise Switches Market refers to the sector focused on the development, manufacturing, and distribution of networking

Key Market Trends & Insights The Asia Pacific enterprise networking market dominated the global industry with a revenue share of

The enterprise switch market is segmented by type into managed switches, unmanaged switches, smart switches, and PoE

Enterprise Switch Industry

The data center switch industry is projected to witness strong growth over the coming years, driven by the rapid expansion of

Cisco has a comprehensive portfolio of network switches and switching solutions for enterprise networks, data centers and small

Modernize your operations with Cisco Industrial Ethernet switches: Increase productivity, boost security, and empower industrial AI.

The Enterprise Switches Market, valued at \$34.8 Billion in 2026, is projected to expand to \$60.82 Billion by 2035, advancing at a

The Enterprise Switches market is undergoing significant transformation driven by rapid digitization, cloud migration,

Check out TrustRadius" top Ethernet switches for enterprises in 2025. Compare pros, cons, and features to
