

Factory specializing in custom-made cable trays

Article Overview

Leading manufacturers of custom-made cable trays include Power Cable Tray, VALDINOX, Armorduct Systems, and Atkore, all offering tailored solutions for industrial and infrastructure projects.

Key Manufacturers

Power Cable Tray is a certified supplier with over 20 years of experience, providing custom cable tray systems for railway, industrial, and commercial clients worldwide. They offer one-stop ODM & OEM services, automated manufacturing for precision, and strong packaging to ensure smooth installation at project sites. Their product range includes perforated cable trays, which are cost-efficient, ventilated, and easy to install, with stable supply and competitive pricing for long-term cooperation . VALDINOX specializes in wire mesh cable trays, supports, and accessories. They provide custom-made solutions with high production capacity in Europe, ensuring fast delivery and compliance with project requirements. Their EASYCONNECT(R) system reduces installation time and costs while enhancing strength and safety. VALDINOX emphasizes customer-oriented service and technical expertise for robust cable routing solutions . Armorduct Systems Ltd is a UK-based manufacturer offering steel cable management systems, including cable trays, trunking, baskets, and bespoke CMS solutions. They design and manufacture in-house, providing both standard and fully customized cable management systems for diverse applications . Atkore International is a global leader in cable tray systems, offering a wide portfolio of products for construction and renovation projects. They provide galvanized, stainless steel, and fiberglass cable trays, with options for custom designs and international shipping .

Additional Notable Manufacturers

- o Chalfant Manufacturing: Offers innovative self-connecting and walkable cable tray lines with over 70 years of experience.
- o Sunil Engineering Corporation: Provides perforated and ladder cable trays with accessories and junction boxes, emphasizing high-quality fabrication.
- o ELCON CABLE TRAYS PVT. LTD.: Specializes in wire mesh, ladder, and perforated trays with related accessories.
