

Article Overview

Leading wholesale suppliers of fiber optic fast connectors include CFOFC, OPTICO, APT, and multiple verified Chinese manufacturers offering bulk, customizable, and OEM-ready solutions.

Key Wholesale Suppliers

1. CFOFC CFOFC specializes in easy-to-install fiber optic fast connectors suitable for FTTH, LAN, and data center applications. They offer LC, SC, MPO, and other quick-connect types with zirconia ceramic ferrules for low insertion loss (≤ 0.3 dB) and high return loss (≥ 50 dB for APC). Bulk orders are available in 10, 50, or 100-piece blister trays, and OEM/ODM services allow customization of connector type, fiber type, housing, and packaging. Standard orders ship in about 7 days, while custom orders take 15-30 days . 2. OPTICO Based in Shenzhen, China, OPTICO manufactures FTTH SC APC and SC UPC fast connectors with low insertion loss (45 dB). They provide wholesale and customized solutions, including free samples for evaluation. Their connectors are designed for quick installation, stable performance, and easy maintenance, suitable for indoor drop cables and telecom networks . 3. APT Optics APT offers custom fast connectors with a clamshell lock and matching liquid for stable, adhesive-free connections. Their products are compatible with 0.25mm or 0.9mm coated fibers and are designed for rapid installation without additional tools. APT provides wholesale services, ISO-certified production, and a 1-year warranty covering technical support, repair, and replacement. Samples are available within 2 days of consultation . 4. Chinese Wholesale Platforms Platforms like Made-in-China and Alibaba list multiple verified manufacturers offering fiber optic fast connectors at competitive wholesale prices. These suppliers provide options for SC, LC, ST, and MTP connectors, with customization and OEM services available. Buyers can compare prices, request bulk quotes, and select suppliers based on certifications and factory capabilities .

Considerations for Wholesale Purchase

- o Connector Type: Choose LC, SC, MPO, APC, or UPC based on your network requirements.
- o Fiber Type: Single-mode (OS1/OS2) or multi-mode (OM1/OM2/OM3/OM4).
- o Insertion and Return Loss: Ensure low insertion loss and high return loss for optimal signal performance.
- o Packaging and Shipping: Bulk orders often come in blister trays or reinforced cartons for safe transport.
- o Customization: OEM/ODM services allow branding, packaging, and connector modifications.
- o Lead Time: Standard connectors ship faster (7-15 days), while custom orders may take 15-30 days. These suppliers and platforms provide a comprehensive range of fast connectors suitable for telecom operators, system integrators, installers, and distributors seeking reliable, high-performance, and cost-effective solutions.

Fast Fiber Optic Connector Wholesale Manufacturer

Upgrade your Fiber Connector with the elegant and durable Fiber Optic Fast Connector. Choosing the right fiber connector involves

OEM fiber optic connector manufacturers, factory-direct price, low MOQs, and fast delivery

We offer fiber optic materials from Test Equipment, Bulk Cable and Fusion Splicers to Tools, Patch Cables and Consumables.

CFOFC makes fast fiber optic connectors that are easy to install and very reliable. They are great for telecom networks and security

Fast connectors minimize assembly times, offering rapid installation in the field. These connectors are designed to accommodate

Shop for fiber optic cables at Cables Plus USA, leader in fiber optic products supply offering high-quality products at the best value

China Fiber Optic Fast Connector manufacturer, Shenzhen Deyou Industrial Co., Ltd. is Fiber Quick Connector factory,

They have the characteristics of fast connection, low insertion loss, high stability, high reliability, easy
