

Fiber Optic Cable Disconnection Warranty Template

Article Overview

This template provides a structured warranty for fiber optic cable disconnection, covering repair, replacement, and liability terms.

Fiber Optic Cable Disconnection Warranty

Warranty Issuer: [Company Name] Warranty Holder: [Client/Customer Name] Warranty Effective Date:
Warranty Duration: [e.g., 1 year standard, optional extended coverage]

1. Warranty Coverage

[Company Name] warrants that the fiber optic cables installed and maintained under this agreement will remain free from defects in materials and workmanship, and will maintain connectivity performance as specified in the project documentation. This warranty specifically covers disconnection or failure of fiber optic cables due to manufacturing defects or installation errors.

2. Exclusions

This warranty does not cover:

- o Damage caused by negligence, improper handling, or unauthorized modifications
- o Natural disasters, fire, floods, or acts of God
- o Normal wear and tear or aging of the cable
- o Damage resulting from third-party equipment or external interference

3. Warranty Remedies

In the event of a covered disconnection or failure:

- o [Company Name] will repair or replace the defective cable or connectivity hardware at no cost to the warranty holder
- o Labor costs associated with repair or replacement are included
- o Replacement may be provided as a credit or direct installation at the discretion of [Company Name]

4. Claim Procedure

To make a warranty claim:

Fiber Optic Cable Disconnection Warranty Template

- o Notify [Company Name] in writing within days of discovering the disconnection or failure
- o Provide documentation of the installation, cable identification, and test results if available
- o Allow [Company Name] or its certified installer to inspect and verify the issue
- o Upon verification, [Company Name] will initiate repair or replacement within business days

5. Limitation of Liability

[Company Name]'s liability under this warranty is limited to the repair or replacement of defective cables. In no event shall [Company Name] be liable for indirect, incidental, or consequential damages, including loss of profits or service interruption.

6. Registration and Compliance

- o Warranty coverage is valid only for cables installed by certified personnel and registered with [Company Name]
- o Compliance with installation, operation, and maintenance procedures is required to maintain warranty validity

7. Governing Law

This warranty shall be governed by the laws of [State/Country], and any disputes shall be resolved in accordance with applicable legal procedures. Authorized Signature: _____ Name & Title: _____ Date: _____ This template can be customized to match your company's policies, warranty duration, and specific project requirements, following examples from Proterial Cable America, Panduit, and General Cable warranties .
