

Article Overview

Household junction boxes in the UK typically range from GBP2 to GBP20 depending on size, material, and features.

Price Range and Types

- o **Basic Plastic Junction Boxes:** Standard IP20 plastic boxes with 4-15 entries are commonly priced around GBP2-GBP5 at retailers like Toolstation . These are suitable for indoor wiring and small household projects.
- o **Screwless or Push-In Connector Boxes:** More advanced boxes with push-in mains connectors, hinged lids, and ratchet locks cost approximately GBP5-GBP10 . They offer easier installation and strain relief for cables.
- o **Waterproof or Weatherproof Boxes:** External or IP65-rated boxes designed for outdoor use or damp areas range from GBP10-GBP20 . These include Bakelite, porcelain, or robust plastic enclosures.
- o **Specialty or Packaged Boxes:** On Amazon UK, maintenance-free junction boxes like the WAGO WAGOBOX(R) Pro 4 are priced around GBP8-GBP15 per unit . These are compatible with lever connectors and push-wire systems, offering sustainability and safety certifications.

Where to Buy

- o **B&Q:** Offers a variety of standard junction boxes for home use, with options for click & collect .
- o **Toolstation:** Stocks a wide range of plastic and screwless junction boxes with multiple terminal options .
- o **CEF:** Provides external, waterproof, and specialty junction boxes, including choc blocks and strip connectors .
- o **Amazon UK:** Features branded and certified junction boxes suitable for DIY and professional use . When selecting a junction box, consider the number of terminals, IP rating, indoor/outdoor use, and compatibility with your connectors to ensure safe and reliable electrical connections.
