

How much does a simple cable tray cost

Preview

The average cable tray price per meter ranges from \$2 to \$25, depending on material, type, size, and surface finish. For bulk orders or project pricing, the cost can be significantly lower. That number matters, but it's rarely the one that decides whether a project stays within budget. The real cost shows up later, during installation, during upgrades, and during the first few years of operation. Steel wireway systems typically fall in the \$8-20 per foot range, while aluminum variants command premiums of \$12-30 per linear foot due to corrosion resistance properties. 2 Why is Conduit So.
