

How much does molded cable tray cost in the Philippines

Article Overview

Molded cable trays in the Philippines typically range from PHP1,310 to PHP5,307 depending on material, size, and type.

Price Range and Factors

The cost of molded cable trays varies based on material composition, dimensions, and type. On average, prices range from PHP1,310.24 to PHP5,307.10 per unit . PVC or non-metallic molded trays are generally on the lower end of the price spectrum, while metallic or electro-galvanized steel trays tend to be more expensive due to durability and corrosion resistance . Sizes also affect pricing, with widths ranging from 60mm to 300mm for different applications .

Types and Materials

- o PVC Molded Cable Trays: Lightweight, corrosion-resistant, and suitable for residential or light commercial use. Available on platforms like Shopee Philippines with discounts and promotions .
- o Aluminum or GI (Galvanized Iron) Trays: Stronger, suitable for industrial or commercial installations, often supplied with covers, bolts, nuts, and connectors .
- o Electro-Galvanized or Stainless Steel Trays: Durable and corrosion-resistant, ideal for long-term industrial applications .

Supplier Options

- o Online marketplaces like Shopee offer PVC molded trays with delivery options and promotional discounts .
- o Local suppliers provide fabricated aluminum or GI trays with complete installation accessories and nationwide delivery .
- o Hardware and construction stores list various sizes and materials, allowing buyers to choose based on project requirements .

Additional Considerations

- o Prices may fluctuate depending on market demand, material availability, and supplier location.
- o Installation complexity and additional accessories (like elbows, covers, and connectors) can affect the total cost .
- o Regular maintenance is recommended to ensure longevity, especially for metallic trays exposed to moisture or industrial environments . For budgeting purposes, expect PVC molded trays to cost around PHP1,300-PHP2,500, while metallic or electro-galvanized trays may range from PHP3,000-PHP5,300 per unit
