

How much does polymer cable tray cost in Uganda

Article Overview

Polymer cable trays in Uganda typically range from UGX 150,000 to UGX 500,000 per meter, depending on size, type, and supplier.

Overview

Polymer cable trays, including GRP (Glass Reinforced Plastic) or FRP (Fiber Reinforced Plastic) types, are widely used in Uganda for industrial and commercial electrical installations due to their corrosion resistance, lightweight, and durability . They are available in various sizes, such as 100mm x 25mm or 150mm x 50mm, and can be customized to meet specific project requirements .

Price Range

- o Small sizes (e.g., 100mm x 25mm): Approximately UGX 150,000 - 250,000 per meter
- o Medium sizes (e.g., 150mm x 50mm): Approximately UGX 250,000 - 400,000 per meter
- o Large or heavy-duty trays: Can go up to UGX 500,000 per meter, depending on thickness, load capacity, and supplier . Prices may vary based on supplier, quantity, and delivery location. Bulk orders often attract discounts, and some suppliers provide customized trays for industrial projects.

How to Purchase

- o Local suppliers: Companies like Tronic Uganda Limited and Build Matt offer polymer cable trays and related products .
- o Online B2B platforms: SASBUZ allows you to submit inquiries and receive quotes from multiple suppliers in Uganda .
- o Direct manufacturers: Brilltech Engineers provides both standard and customized cable trays and can offer competitive pricing for bulk orders .

Recommendations

- o Contact multiple suppliers to compare prices and confirm availability.
- o Specify the dimensions, load capacity, and material type to get accurate quotes.
- o Consider warranty and delivery options, as polymer trays are often used in long-term installations. By reaching out to these suppliers, you can obtain exact current prices and ensure the trays meet your project specifications.
