

Article Overview

Huijue offers a wide range of high-quality fiber optic cables and components, including single-mode and multi-mode fibers, patch cords, connectors, and splitters, with customizable solutions for telecom and data networks.

Company Overview

Huijue Network Communication Equipment Co., Ltd., established in 2001 and headquartered in Shanghai, China, is a leading manufacturer and solution provider for telecom and communication products. The company operates a 50,000-square-meter production facility in Jiangsu province for precise metal production, cabinet assembly, and optical fiber product manufacturing . Huijue integrates R&D, technical support, and sales, and exports products to Europe, North America, Southeast Asia, and other regions .

Fiber Optic Cable Products

Huijue provides a variety of fiber optic cables and related components:

- o Optical Fiber Cables: Indoor and outdoor cables, flexible cables, leather cables, butterfly optical cables, drop cables, and remote optical cables. They support single-mode (G.652, G.657A2) and multi-mode (OM1, OM2, OM3, OM4) fibers .
- o Patch Cords and Connectors: LC/UPC, SC/UPC, and waterproof patch cords with multiple cores (e.g., 8-core, 12-core). Easy-strip ferrule patch cords are available for efficient installation .
- o Optical Splitters: PLC splitters, fused couplers, planar waveguide splitters, blade-type, box-type, and LGX rack-type splitters .
- o Adapters and Flanges: Fiber optic adapters, flanges, and other connection accessories for network integration .

Applications and Solutions

Huijue's fiber optic products are used in:

- o FTTX Solutions: Fiber-to-the-home, fiber-to-the-building, and other broadband deployments.
- o Data Centers: Network cabling, high-speed connectivity, and integrated digital solutions.
- o Telecom Infrastructure: Cabinets, patch panels, and optical distribution networks .

Customization and Services

Huijue Fiber Optic Cable Communication Cable

- o OEM/ODM Services: Huijue accepts custom designs and branding for fiber optic components.
- o Flexible Ordering: Products can be ordered in small quantities, even as single pieces, with sample availability before bulk orders .
- o Delivery and Payment: Delivery times depend on order quantity, and payment terms are negotiable under contracts .

Summary

Huijue provides a comprehensive range of fiber optic cables and components suitable for telecom, data center, and broadband applications. Their offerings include single-mode and multi-mode fibers, patch cords, connectors, splitters, and adapters, with options for customization, small orders, and OEM services. The company's strong manufacturing capabilities and global export reach make it a reliable supplier for fiber optic network solutions .
