

Article Overview

Shanghai Huijue Network operates a comprehensive fiber optic cable production line with advanced facilities for manufacturing, assembly, and testing of optical fiber products.

Company Overview

Shanghai Huijue Network Communication Equipment Co., Ltd., established in 2001, is a leading manufacturer and solution provider for telecom and communication products, headquartered in Shanghai with a production base in Jiangsu Province . The company specializes in FTTX products, optical fiber components, outdoor cabinets, and data center solutions, serving both domestic and international markets including the USA, Europe, Southeast Asia, and Australia .

Production Facilities

Huijue's production base spans over 35,000 square meters and includes eleven specialized assembly workshops, covering sheet metal, patch cord, and fiber optic cable production . The facilities are equipped for metal precision production, optical fiber assembly, and cabinet manufacturing, ensuring high-quality output for telecom and data center applications .

Fiber Optic Cable Production Line

The fiber optic cable production line at Huijue includes:

- o Single-mode and multi-mode fiber manufacturing (G.652, G.657a2, OM1-OM4)
 - o Indoor and outdoor optical cables, including flexible, leather, butterfly, and drop cables
 - o Patch cord assembly with LSZH, waterproof, and multi-core options
 - o Testing and quality control to meet international standards such as ISO14001, ISO45001, CE, and RoHS
- The production line supports customized, one-stop solutions from design to final product, allowing clients to receive tailored fiber optic cables and components for specific network requirements .

Applications

Huijue's fiber optic products are widely used in:

- o Telecom networks for operators like China Telecom and China Unicom
- o Data centers for high-speed connectivity
- o Power and new energy sectors for reliable communication infrastructure
- o Global export markets, ensuring compliance with international standards

Huijue Fiber Optic Cable Production

Quality and Certification

Huijue maintains a strict quality control system and has passed multiple international certifications, providing reliable performance and durability for fiber optic cables and related components. In summary, Huijue's fiber optic cable production line is a highly integrated, technologically advanced system capable of producing a wide range of optical fiber products for both domestic and international telecom and data center applications, with strong emphasis on quality, customization, and compliance.

We are a manufacturer of fiber optic communication equipment in Shanghai China. Founded in 2000, Shanghai Huijue Network

We are your specialist for fiber optic cables and custom cable assemblies. With us, you will receive ready-to-connect fiber optic

All Companies and suppliers for huijue-optical-cable-export-process Find wholesalers and contact them directly Leading B2B

Founded in 2002, Huijue Network is a high-tech service provider integrating intelligent network communication equipment and

GP-Fiber Optics GmbH is one of the leading companies in the assembly and manufacturing of fiber optic products. Our product

All Companies and suppliers for huijue-optical-cable-factory-oem Find wholesalers and contact them directly Leading B2B

Besides, we have a mass production factory of 50,000 square meters in Jiangsu province, which is mainly for metal precise

Our production base is equipped with eleven assembly workshops, such as workshops of sheet metal, patch cord, fiber optic cable

fiber optical components manufacturer, PLC Splitter, Patch Cord, Pigtail, MPO Patch Cord, AOC Cable, telecom cabinet ·

Huijue Drop Cable 2-core Multi Mode/single Mode Optical Fiber Ce Certified Easy-strip For FttH/indoor Networking Wiring - Buy

Huijue Fiber Optic Cable Production

All suppliers for huijue-pakistan-optical-cable-factory Manufacturer/Producer Find wholesalers and contact them directly B2B

20 Companies and suppliers for huijue-optical-cable-factory-oem Find wholesalers and contact them directly Leading B2B

16 Companies and suppliers for huijue-optical-cable-export-process Find wholesalers and contact them directly Leading B2B

Indoor Fiber Optic Cables (GJBFJH/GJBFJV) are specifically designed for building interior fiber optic communication. With LSZH

Serves multiple national operators (list several here), with cumulative deployments exceeding 2 billion

Headquartered in Shanghai's Free Trade Zone, Huijue operates six subsidiaries and four production bases across China, covering
