

Malta electrical distribution box sales price inquiry

Article Overview

Electrical distribution boxes in Malta are available from multiple suppliers, with prices typically ranging from EUR20 to over EUR150 depending on type, size, and specifications.

Suppliers and Options

- o FBP Malta offers a variety of distribution boxes suitable for residential and commercial use, though prices are not listed online. You can contact them directly for quotes .
- o BigMat Malta provides consumer units and power distribution boxes with specifications such as DIN rail mounting, IP20 rating, and rated currents from 16A to 63A. Prices vary based on the number of poles and current rating .
- o XOL Malta lists distribution boxes in their catalog, including options for different installation types, but pricing requires direct inquiry .
- o LED Lights Malta carries waterproof junction boxes from brands like Jangar and FAEG, suitable for outdoor or wet environments. Prices are not displayed online .
- o Hydroelectric Malta offers consumer units, distribution boards, and panels for domestic and industrial applications, with pricing available upon request .

Price Considerations

- o Residential vs. Industrial: Small domestic boxes (1-4 poles) typically cost EUR20-EUR50, while larger industrial units (up to 63A, multiple poles) can exceed EUR150.
- o IP Rating: Waterproof or outdoor-rated boxes (IP65 or higher) are generally more expensive than standard indoor units.
- o Brand and Features: Well-known brands or units with advanced features like residual current protection or modular design may increase the price.

Recommendation

For accurate pricing, it is best to contact suppliers directly via their websites or phone. Many Maltese distributors provide quotes based on your specific requirements, including the number of poles, rated current, and installation environment. This ensures you get a product that meets both safety standards and budget considerations.
