

New Price Quote for UPS Distribution Boxes

Article Overview

UPS distribution boxes are generally available at no cost for certain services, but exact pricing depends on the box type, service level, and location.

Overview

UPS offers a variety of distribution and shipping boxes, including standard, padded, and express packaging. Many of these boxes are free for use with specific UPS services, such as UPS Ground or UPS Express, while some specialty or oversized boxes may incur a nominal fee. The cost can also vary if you purchase boxes directly from a UPS Store or online.

How to Get the Latest Quote

- o UPS Online Tools: Use the UPS Calculate Time and Cost tool to estimate shipping costs including packaging if applicable. This tool accounts for origin, destination, weight, and service type ().
- o UPS Store Locations: Visit a local UPS Store to inquire about box availability and any retail charges. Certified packing experts can provide exact pricing and guidance for your shipment ().
- o Commercial Accounts: If you have a UPS account with negotiated rates, you may receive boxes at no cost or discounted rates. Retail rates at UPS locations may differ from commercial rates ().

Additional Considerations

- o Box Size and Type: Larger or specialty boxes may have a fee even if standard boxes are free.
- o Shipping Method: Some services include packaging as part of the service, while others require you to supply your own.
- o Surcharges: Additional handling, fuel surcharges, or oversized package fees may apply depending on the shipment (). For the most accurate and up-to-date pricing, it is recommended to contact your local UPS Store or use the UPS online shipping calculator, providing the exact box type and shipment details. This ensures you receive a quote tailored to your specific needs.

Please provide information about your shipment including destination, origin, shipment date, and weight to calculate time and cost of
