

Price of Mesh Cable Tray Wall Bracket

Article Overview

Mesh cable tray wall mounting brackets typically range from \$10 to \$40 per bracket, depending on type, size, and material.

Pricing Examples

- o T-Shaped Wall Brackets: Zonon offers a 4-piece set of T-shaped zinc-plated brackets for wire mesh trays, designed for corrosion resistance and easy installation. Prices for similar sets on Amazon are around \$20-\$25 per 4-pack .
- o L-Shaped Wall Brackets: Tripp Lite's L-shaped brackets for 150-300 mm wide wire mesh trays are sold individually, with prices typically around \$15-\$30 per bracket depending on vendor and quantity .
- o Triangle Wall Brackets: NavePoint's electro zinc-plated triangle wall brackets, suitable for industrial and commercial use, are sold in 2-packs for approximately \$20-\$25 .

Factors Affecting Price

- o Material and Coating: Galvanized or zinc-plated brackets resist corrosion and generally cost more than plain steel .
- o Bracket Design: T-shaped, L-shaped, and triangle designs vary in load capacity and support, influencing price .
- o Quantity and Packaging: Multi-packs reduce per-unit cost, while single brackets may be slightly more expensive per piece .
- o Vendor and Shipping: Prices vary between suppliers like Amazon, McMaster-Carr, and specialized distributors such as Ekabel, with some offering same-day shipping .

Summary

For most standard wall-mounted mesh cable tray brackets, expect to pay between \$10 and \$40 per bracket, with multi-packs offering better value. T-shaped and triangle brackets are often sold in packs, while L-shaped brackets are commonly sold individually. Material quality, corrosion resistance, and bracket design are key factors influencing the price and suitability for your installation .
