

Price of photovoltaic cable trays in the Dominican Republic

Article Overview

Cable tray prices in the Dominican Republic vary by material, size, and supplier, with quotations available directly from local distributors and B2B marketplaces.

Suppliers and Marketplaces

- o B2B Marketplaces Platforms like Europages list 23 companies supplying photovoltaic cable trays in the Dominican Republic, allowing buyers to contact suppliers directly for pricing and bulk orders .

- o Local Distributors

- o Suplidores Electricos del Caribe (SEC) operates in Santo Domingo and Punta Cana, distributing cables, transformers, and electrical materials. They provide custom quotations for projects of any scale and can deliver nationwide .

- o Jeetmull Jaichandlall (P) Ltd. manufactures and supplies cable trays in various sizes, shapes, and materials, including metal and fiberglass, tailored to industrial and construction applications .

- o Fiberglass Cable Trays For corrosion-resistant options suitable for photovoltaic installations, fiberglass cable trays are available through verified buyers and importers on platforms like Go4WorldBusiness, which connects suppliers and buyers for bulk orders .

Pricing Considerations

- o Material Type: Fiberglass trays are generally more expensive than standard metal trays due to durability and corrosion resistance.

- o Size and Configuration: Larger trays or custom shapes for solar arrays may increase cost.

- o Order Volume: Wholesale purchases often reduce per-unit pricing.

- o Delivery: Nationwide shipping from Santo Domingo or Punta Cana may affect final cost.

How to Obtain Prices

Since online listings do not provide fixed prices, the most reliable approach is to contact suppliers directly via phone or online inquiry forms. For example, SEC can be reached at +1 (809) 221-2424, and Europages provides direct messaging to multiple vendors . By specifying your project requirements, tray material, dimensions, and quantity, suppliers can provide accurate quotations tailored to your photovoltaic installation needs.
