

Price of push-pull trays for network cabinets

Article Overview

Push-pull or sliding trays for network cabinets typically range from \$40 to \$120 depending on brand, size, and weight capacity.

Price Overview

- o StarTech 1U Sliding Server Rack Mount Keyboard Shelf Tray: This tray supports up to 55 lbs (25 kg) and can function as a sliding shelf or 1U pull-out drawer. Prices for this model generally range around \$70-\$90 depending on the retailer and region .
- o Pyle 1U Server Rack Shelf: A vented steel shelf designed for airflow and durability, suitable for 19-inch racks. Pricing is typically in the \$40-\$60 range .
- o Other Network Rack Trays: Brands like Beiyier and ProMaster offer vented and versatile trays, with prices ranging from \$50 to \$120 depending on features such as depth, weight capacity, and material .

Factors Affecting Price

- o Weight Capacity: Heavier-duty trays that support 50-100 lbs cost more.
- o Material and Build Quality: Steel or vented designs for airflow are more expensive than basic metal trays.
- o Size and Compatibility: Trays designed for standard 19-inch racks are common, but deeper or adjustable trays may increase cost.
- o Additional Features: Some trays double as keyboard shelves or have sliding mechanisms, which can add to the price.

Where to Buy

- o Amazon: Offers a wide range of sliding and pull-out trays with customer reviews and shipping options .
- o Newegg: Provides network rack trays with fast shipping and detailed specifications .
- o StarTech.com: Direct purchase for specialized IT-grade trays with warranty and support . For budgeting, expect to spend \$50-\$100 per tray for a reliable, durable push-pull tray suitable for most network cabinets.
