

Recommended manufacturers of cable tray supports in Southern Europe

Article Overview

Southern Europe hosts several reputable cable tray manufacturers, including Spina Group (Italy), Legrand/Cablofil (France), and Emit Metal (Turkey), offering high-quality, certified solutions for industrial and infrastructure projects.

Key Manufacturers

Spina Group (Italy)

- o Specializes in ladder and perforated cable trays for heavy-duty applications such as shipbuilding and industrial plants.
- o Known for durable designs and compliance with EN 61537 and ISO 9001 standards, ensuring reliability in demanding environments . Legrand / Cablofil (France)
- o Offers wire mesh cable trays that are easy to install and adaptable for various applications.
- o Focuses on sustainability, product longevity, and adherence to European and international standards, making it suitable for complex industrial and commercial projects . Emit Metal (Turkey)
- o Produces metal cable trays, ladders, and trunking systems with a monthly production capacity exceeding 1,000 tons.
- o Certified under TS EN 61537, ISO 9001:2008, CE, GOST-R, and offers fire protection up to 90 minutes, supporting both domestic and international projects .

Additional Manufacturers and Resources

- o Deutenberg Drahttechnik GmbH (Germany): While based in Germany, they supply wire-based cable trays and baskets suitable for Southern European projects .
- o Armorduct Systems Ltd (UK): Manufactures steel cable management systems including trays and baskets, offering bespoke solutions that can be exported to Southern Europe .
- o Valdinox (Europe): Specializes in steel mesh cable trays, providing technical support and custom solutions across European markets .

Considerations for Selecting a Manufacturer

- o Compliance Standards: Ensure the manufacturer adheres to EN 61537, ISO 9001, and other relevant European or international standards.
- o Product Type: Choose between ladder, perforated, or mesh trays depending on load requirements, installation environment, and project specifications.
- o Production Capacity and Export Capability: For large-scale projects, verify the manufacturer's ability to

Recommended manufacturers of cable tray supports in Southern Europe

meet volume demands and deliver internationally.

o Technical Support: Manufacturers offering project consultation and installation guidance can improve efficiency and reduce errors. Southern Europe's cable tray manufacturers provide a combination of high-quality materials, certified production, and specialized designs, making them suitable for industrial, commercial, and infrastructure projects across the region .
