

Article Overview

ST pigtails typically cost between EUR1.44 and EUR1.58 per piece when purchased in sets of 12.

ST fiber optic pigtails are sold in sets of 12 pieces, with the price per individual pigtail depending on the fiber type and specifications. For example, singlemode 9/125um OS2 ST pigtails in 2-meter lengths cost approximately EUR1.58 per piece when bought as a 12-piece set, while multimode 50/125um OM2 ST pigtails in 2-meter lengths are around EUR1.44 per piece for a 12-piece set .

Factors Affecting Price

- o Fiber Type: Singlemode fibers (OS2) are slightly more expensive than multimode fibers (OM2, OM3, OM4).
- o Length: Standard lengths are usually 2 meters, but longer pigtails may cost more.
- o Packaging: Pigtails are often sold in sets of 12, and the listed price refers to one piece within the set.
- o Connector Type: ST connectors are standard, but prices may vary slightly if other connector types (LC, SC) are chosen .

Where to Buy

ST pigtails can be purchased from online fiber optic suppliers such as Fiberise, FS.com, Fosco Connect, and FICONET systems GmbH . These suppliers provide pre-terminated, tested pigtails suitable for field splicing and network installations. In summary, for a 2-meter ST pigtail in a 12-piece set, expect to pay around EUR1.44-EUR1.58 per piece, with slight variations depending on fiber type and supplier.
