

Article Overview

Key manufacturers of Yin-Yang optical attenuators include Shenzhen Kaida Optical Communication Technology, Dongguan Qingying Industrial, Shenzhen Fengke Communication Equipment, ZGTECH, and other specialized Chinese suppliers.

Leading Manufacturers and Suppliers

o

Shenzhen Kaida Optical Communication Technology Co., Ltd. - Known for high consistency and reliability, their Yin-Yang attenuators have passed rigorous 1,500-cycle plug-and-unplug tests and maintain a 99.8% factory consistency, making them suitable for large-scale optical network deployments .

o

Dongguan Qingying Industrial Co., Ltd. - Offers LC/UPC Yin-Yang attenuators with adjustable attenuation ranges (1-30 dB), supporting multi-grid combinations and cost-effective bulk purchasing .

o

Shenzhen Fengke Communication Equipment Co., Ltd. - Provides carrier-grade Yin-Yang attenuators compatible with FC, SC, and LC interfaces, emphasizing high repurchase rates and stable performance .

o

ZGTECH - Produces Yin-Yang attenuators with one end as a connector and the other as an adapter, available in SC, LC, FC, ST, and MU types. Their products comply with IEC, ROHS, and Telcordia GR-910-CORE standards, offering precise attenuation, high repeatability, and reliability for both single-mode and multi-mode fibers .

o

Other Suppliers on Platforms like 1688 and Alibaba - Many factories provide FC/UPC, LC/UPC, and SC/UPC Yin-Yang attenuators with fast shipping, in-stock wholesale options, and support for international orders. These suppliers often allow sample testing, flexible payment methods (T/T, L/C, PayPal), and multiple shipping options including express, air, and sea freight .

Product Features to Consider

o Connector Types: LC, SC, FC, ST, MU, E2000

o Attenuation Range: Typically 1-30 dB, adjustable or fixed

o Compliance: IEC, ROHS, Telcordia GR-910-CORE

o Applications: Device testing, inter-device connections, LAN/WAN networks, single-mode and multi-mode

Supplier of Yin-Yang Type Optical Attenuators

fibers

o Performance: High repeatability, accurate attenuation, and durability under repeated use

Procurement Tips

- o Verify factory consistency and quality control processes.
- o Check for sample availability before bulk orders.
- o Consider suppliers with high user ratings and proven track records in telecom projects.
- o Ensure compatibility with your optical system's connector types and required attenuation range.

These manufacturers provide reliable options for both domestic and international procurement of Yin-Yang optical attenuators, supporting a wide range of optical communication applications .

Networking professionals and fiber optic technicians, this 10-pack of LC/UPC attenuators is perfect for managing signal power in your

The Yin-Yang Type Fiber Optic Fixed Attenuator is a type of connector that has one end as an adapter and

10pcs LC SM 5dB Yin-Yang Fiber Optic Attenuator Without Ears 0 out of 5 (0) SKU: P769 \$ 60.00 Add to cart Yin and Yang Type

Wholesale guide to yin yang fiber optic attenuators: direct from 1688 source factories - get quality and low prices!

5dB ST PC Yin and Yang Type Optical Attenuator 1250nm-1650nm Yin And Yang Type Fiber Optic Fixed Attenuator is one end of

MU Single Mode Yin And Yang Type Fixed Optical Attenuator Yin And Yang Type Fiber Optic Fixed Attenuator is one end of the

Wholesale customized optical attenuator on fiberopticom.com. We're well-known as one of leading optical attenuator manufacturers

LC UPC Fiber Optical Attenuator(LC_UPC Yin Yang 1dB) Fiber Optic Attenuator is one kind of optical passive device which is used

Introduction to YIN-YANG Attenuators ZGTECH is proud to introduce our innovative YIN-YANG attenuators, designed to meet the

Supplier of Yin-Yang Type Optical Attenuators

Optic Attenuator Showing all 13 results Filters Yin and Yang Type Fixed Attenuator 0~30dB FC/PC Yin-Yang Type Fixed Optical

10pcs LC SM 5dB Yin-Yang Type Fiber Optic Attenuator Without Ears The Yin-Yang Type Fiber Optic Fixed Attenuator is a type of

These Yin Yang style fixed attenuators provide 20dB of attenuation, which is perfect for when you've got too much power coming

Optical Attenuator Fiber Optic Attenuator/Telecom-grade Yin-Yang Fiber Optic Adapter Adjustable Attenuator.

10pcs SC/PC Yin-Yang Type Plastic Optical Attenuator The Yin-Yang Type Fiber Optic Fixed Attenuator is a type of connector that

3. What can you buy from us? Fiber Patch Cord,Optical Cable,Optical Module,Media converter series,PLC splitter 4. Why should you

Optical attenuators are devices that reduce the optical power of a light beam by a fixed or variable amount.
