

Article Overview

Raddy Fiber Manufacturing Tanzania Ltd is a leading local manufacturer of fiber optic cables and accessories, serving Tanzania and East-Central Africa.

Raddy Fiber Manufacturing Tanzania Ltd

Overview: Raddy Fiber Manufacturing (T) Limited is a Tanzanian-owned company located in Mwanambaya, Mkuranga District, about 25 km from Dar es Salaam. Established in 2021, it specializes in the production of high-quality fiber optic cables and related accessories for industrial, telecommunications, security, and commercial projects across East and Central Africa . Products:

- o Outdoor fiber optic cables (armored single and double jacket)
 - o Patch cords and connectors for cable connections
 - o Fiber optic closures, pigtails, and ODF racks
 - o Accessories for indoor and outdoor applications
- Clients and Partnerships: Raddy Fiber collaborates with mobile network operators and the Ministry of Education, Science, and Technology of Tanzania, highlighting its credibility and regional reach . Vision and Mission: The company aims to establish a strong African base for fiber optic supply and maintain long-term, trusted relationships with clients while delivering cost-effective, high-quality products using modern manufacturing techniques .

ECA Networks EA Ltd

Overview: While not a manufacturer, ECA Networks EA Ltd, based in Dar es Salaam, is a major supplier of fiber optic equipment and networking solutions in Tanzania. They provide single-mode and multimode cables, connectors, patch cords, splice closures, and ODF boxes for metro, campus, and LAN fiber deployments . Services:

- o Enterprise networking gear, routers, managed switches, and access points
- o CCTV systems, NVRs, DVRs, and access control solutions
- o Structured cabling including Cat5e, Cat6, and Cat6A cables, patch panels, and keystone jacks
- o Nationwide delivery and e-commerce ordering for businesses and contractors

Summary
