

Which companies in El Salvador are fiber optic connector suppliers

Article Overview

Key companies in El Salvador that supply or use fiber optic connectors include Fointer, Lightera, and various local fiber optic product suppliers in San Salvador.

Major Fiber Optic Companies

Fointer (Fibra Optica Internacional) is a leading Salvadoran company established in 2005, specializing in the distribution of fiber optic cables and accessories. They provide high-quality products with up to 15 years of life expectancy, including splice closures, ODF cabinets, and complete fiber optic installation kits for both underground and aerial networks . Lightera offers comprehensive optical fiber and connectivity solutions for data centers, industrial networks, corporate offices, and telecommunications. Their services include infrastructure design, high-density network solutions, and rugged optical fiber systems for automation, energy monitoring, and Industrial Ethernet .

Local Suppliers in San Salvador

Several businesses in San Salvador supply fiber optic products, including connectors, cables, and modules. These suppliers cater to networking, telecommunications, and industrial applications, providing both retail and bulk solutions .

Fiber Optic Modules and Connectors

Companies in El Salvador also import and distribute fiber optic modules and SFP transceivers, which are compatible with SC-Duplex connectors and support Fast Ethernet, SDH/STM-1, SONET/OC-3, and ATM networks. These modules are used in corporate networks, data centers, and telecommunication infrastructure .

Summary

For businesses or individuals seeking fiber optic connectors in El Salvador, Fointer and Lightera are the primary local providers offering both products and installation solutions. Additionally, multiple suppliers in San Salvador provide fiber optic cables, connectors, and modules suitable for networking and industrial applications . These companies support both commercial and large-scale infrastructure projects, ensuring reliable connectivity and network performance.
