

Which company in Fiji specializes in installing electrical distribution boxes

Article Overview

G.M.R Muhammad & Sons (PTE) Ltd and Electomech PTE Limited are key companies in Fiji specializing in electrical distribution boxes and related products.

G.M.R Muhammad & Sons (PTE) Ltd

G.M.R Muhammad & Sons (PTE) Ltd is a Fiji-based company that manufactures and supplies junction boxes, including large-scale electrical distribution boxes. They are located at P.O. Box 8001, Nakasi, Fiji, and offer a range of electrical enclosures suitable for industrial and commercial applications. Their products are designed to meet local infrastructure standards and are widely used in electrical distribution projects across Fiji.

Electomech PTE Limited

Founded in 2000 in Ba, Fiji, Electomech PTE Limited is a leading privately-owned distribution and manufacturing company. While their primary focus includes sheet metal works and injection moulding, they also manufacture and distribute high-quality electrical and piping products, which encompass electrical distribution boxes and related components. Electomech operates from an 8,000-square-meter facility and has retail outlets in Ba, Lautoka, Nakasi, and Suva, serving both industrial and consumer markets. Their products are recognized for durability and compliance with infrastructure standards across Fiji and the Pacific.
